HH Shaikh Nasser bin Hamad meets INJAZ Bahrain

His Majesty's representative for humanitarian work and youth affairs Shaikh Nasser bin Hamad Al Khalifa received INJAZ Bahrain board of directors chairperson Shaikha Hessa bint Khalifa Al Khalifa. Shaikh Nasser praised the outstanding efforts made by Shaikha Hessa and the board members in implementing programmes aimed at grooming youngsters and preparing them for the labour market. HH said the tireless work done by INJAZ Bahrain is highly appreciated for its contribution to providing the Bahraini youth with training and employment opportunities.

INJAZ Bahrain presented areas of collaboration and potential scope for reaching more students in the near future.

BMMI provides INJAZ Bahrain 20 University Scholarships

In-line with Bahrain's Economic Vision 2030 goals for continued economic development, Al Osla Scholarship Program launched by BMMI will be granting to 20 INJAZ Bahrain Company Program students with scholarship for their studies at Bahrain Polytechnic or University of Bahrain. This collaboration enables students to pursue their goals

and empowers Bahraini youth to succeed in the global economy.

The students selection process was executed by both INJAZ Bahrain & BMMI representatives, the scholarship program will provide the selected students of the academic year 2020-2021 with a 5 year scholarship.

Huawei launch Seeds for the Future 2020 Program

In collaboration with Tamkeen, Huawei launched the 2020 edition of its Seeds for the Future program virtually. The program hosted students with an aim to nurture local ICT talents to contribute towards building a stronger and more sustainable ICT ecosystem in the Kingdom. We are pleased to announce that 3 of the top 5 winners were INJAZ Bahrain alumni. In addition, one of the top 2 students, Usman Iftikhar from INJAZ Bahrain has won a free educational trip to China in 2021.

Batelco and Huawei Donate 500 Smart Home Wi-Fi devices to INJAZ Bahrain to Improve Remote Education Experience

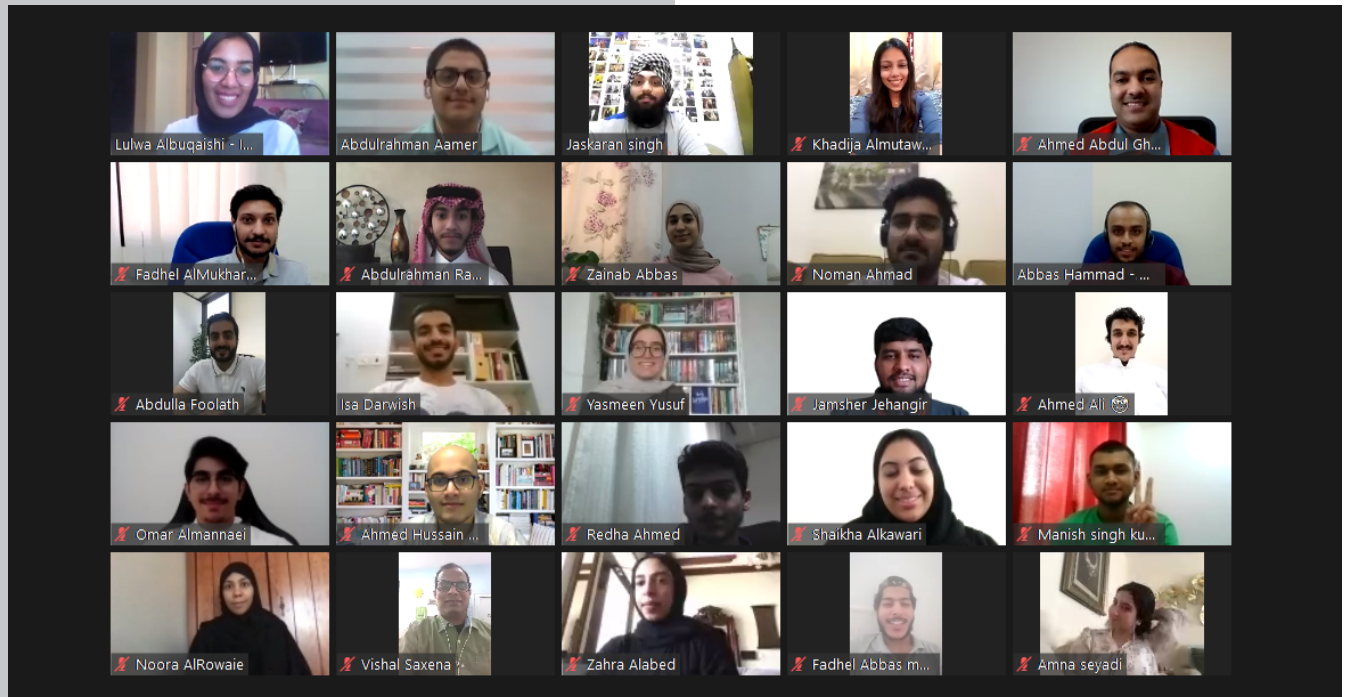

In consideration of the guidance and requirements of the Ministry of Education in Bahrain on remote education, Batelco has partnered with Huawei to donate 500 sets of Smart Home Wi-Fi products to INJAZ Bahrain, addressing the requirements of remote education for families with insufficient Wi-Fi coverage. The activity aims to help improve the remote education experience for teachers and students, synchronized with the government of Bahrain's proactive approach to support individuals and businesses during COVID-19, with education continuity for all as a priority. INJAZ Bahrain has distributed these devices to students with WiFi issues and to MOE to support sustained digital learning.

INJAZ Bahrain collaborates with key local organizations to support students during Covid- 19 outbreak

As part of its' ongoing quest to empowering the professional and academic growth of Bahraini Youth, INJAZ Bahrain had organized laptops and computer equipment donations from key local organization, US Embassy, King Hamad University Hospital, EY, KPMG, Royal Humanitarian Foundation & Rashid AlZayani Foundation. The campaign raised a total of more than 100 devices for the affected students in Bahrain.

INJAZ Bahrain offers educational programs online in partnership with it's board companies

In response to the outbreak of the novel coronavirus, INJAZ Bahrain has launched a series of virtual programs in collaboration with its board companies.

The initiative comes in line with the Ministry of Education's decision to shut down all educational institutes across the kingdom and activate learning from home. The online programs aim to instil and educate students on work readiness, entrepreneurship, and financial literacy, while at home. Ebrahim K. Kanoo, stc Bahrain, GPIC, Alba and KHCB hosted Virtual Job Shadows Workshops. This exciting one day program allows students to learn more about the workplace & career opportunities available in the market. Alongside, the volunteers gave students an overview of the business by taking them through a virtual site visit.

In addition, Virtual Innovation Camps were hosted in collaboration with Batelco, Brinc Batelco, Bapco & stc Bahrain. Students got the opportunity to learn the spirit of entrepreneurship through exciting activities, unleashing their creativity & innovation and meeting entrepreneurs.

INJAZ Bahrain would like to extend its sincere appreciation and gratitude to its respected board members for their continued support towards the growth and development of our youth.

INJAZ Bahrain is pleased to advise that it was able to launch many exciting summer programs, impacting more than 2,700 students.

ALUMNI News

Majed Jaber, wins 1st place in "Golden Youth Centers" Competition

Our Alumnus, Majed Jaber, took part of a National Leadership Program “Hipo 2020 Golden Youth Centers” competition winning the first place. The program is designed to improve and enhance youth leadership skills. Students got the opportunity to meet many national leaders to learn from their experience. The aim of the competition is to bring ideas to improve the youth centers in Bahrain.

“It was my pleasure to be part of this program and participate in the competition achieving the first place through my team idea “lets book” which aims to enhance investment in the facilities of Muharraq Model Youth Center. As INJAZ Bahrain Company Program Alumnus, it helped me a lot in the competition through the skills gained in the program especially with the online presentation skills as it helped me a lot in handling online presentations. INJAZ Bahrain and Hipo 2020 both helped me to improve my skills and knowledge” - Majed Jaber
